DETAILED ACTION

Allowable Subject Matter

1. Claims 1-11, 13-21 are allowed.
2. The following is an examiner's statement of reasons for allowance:

In independent claims 1, 11, and 14, the prior art does not disclose:

"servo calculating section configured to provide a control signal for the motion control mechanism in order for a detection value of the state of the vehicular motion control mechanism to be made coincident with the control command value; and

a vehicle speed variation amount limiter configured to place a limitation on a vehicle speed variation amount by comparing the detected value of the vehicle speed to a speed variation amount limit value, wherein the vehicle speed variation amount limit value varies in accordance with the detection value of the vehicular steering angle, wherein the vehicular motion target value calculating section is configured to determine a map reference vehicle speed on the basis of an output of the vehicle limiter".

This statement is not intended to necessarily state all the reasons for allowance or all the details why the claims are allowed and has not been written to specifically or impliedly state that all the reasons for allowance are set forth (MPEP 1302.14).

The dependent claims are allowed for depending on an allowed base claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
